John Kimmel selected this filly for her athleticism; she had a nice long stride, and

galloped out of the breeze strong. She is a big strong filly that had a good walk, is well balanced, a beautiful head, face and eyes that just make you melt. All this and comes from a good family with lots of back class and black type, all the things you look for in a good quality horse.

If you've ever thought about owning a race horse or want to add a horse with lots of potential to your stable, then don't miss out on this **beautiful** filly. She is currently in training at Belmont and has been training great!!

Call for details. You won't believe how amazingly affordable a filly like this can be.
